Policy Statement for Acceptance of Workshops/Seminars Outside The Bahamas

Pre-condition

As my spouse and I are now transitioned from full-time employment to self-employment, it is extremely important that we keep our relationship strong while we strengthen the relationship of others. Thus, all organizations requiring my service will be required to pay for my spouse's ticket (**at least 75% of it**), her accommodation, and board. **Paying for these items does not signify her participation in any way.** My acceptance of any assignment is totally dependent on acceptance of these terms.

Terms of Service

The requesting organization/group will be responsible for:

- Honorarium
- Plane Tickets (Including tax)
- Local Airport Parking Expense
- Travel meals
- Luggage (If not included in ticket price)
- Room and Meals
- Ground Transportation

Payment Due

Payment for service rendered is due no later than by the end of the workshop/seminar. Plane tickets will be pre-purchased by the requesting organization/group.
