

Beatitudes to Teenagers

Blessed are the teenagers who never confuses love with lust and remain virgins till marriage.

Blessed are the teenagers who develop self-control over their desires

Blessed are the teenagers who prefer a few years on loneliness, to a whole life of misery.

Blessed are the teenagers who develop their bodies physically for it pleases God

Blessed are the teenagers who study their lessons well so they may develop intellectually

Blessed are the teenagers who refuse all forms of illegal drugs, liquor and tobacco, for they are not good for the mind and body.

Blessed are the teenagers who love and honor their parents, for they will live long

Blessed are the teenagers who respect their teachers for they will be greatly honored.

Blessed are the teenagers who treat others as they treat themselves for it is good in God's sight.

Blessed are the teenagers who do not cheat or lie in school or at home for they will grow as children of God.

Blessed are the teenagers who do not let smart phones and other dives dictate to their behavior for they will create a healthy mind and body.

Blessed are the teenagers who governs well the use of social media platforms in their personal lives to guard against emotional dwarfism, frivolous gossip, flirtatious behavior, and idleness.

Blessed are the teenagers who gives their hearts to Jesus when they are young for when they are old, they will receive rich reward.
