WELCOME

Happy Sabbath!

Happy Sabbath. What a joy it is to be in worship on this beautiful Sabbath day. I welcome everyone, members, friends and visitors. If you are visiting for the first time and want to make Grant's Town you home church, kindly let us know. If you would like to know more how to live a godly Christian life please indicate on the welcome card and we will happy to minister to you.

Today our speaker is Demartio Green, a member of Grant's Town and currently a ministerial student at Northern Caribbean University, Mandeville, Jamaica. Demartio is a vibrant Adventist youth who is passionate about serving Jesus. He is down-to-earth and open to sharing his Christian love to the happy and the hurting. Prayer for him as he sharing on the topic today "Is there something burning in you."

"John Cacioppo, the director of the Center for Cognitive and Social Neuroscience at the University of Chicago, is the world's leading expert on loneliness. In his landmark book, *Loneliness*, released in 2008, he revealed just how profoundly the epidemic of loneliness is affecting the basic functions of human physiology. Cacioppo writes: "When we drew blood from our older adults and analyzed their white cells, we found that loneliness somehow penetrated the deepest recesses of the cell to alter the way genes were being expressed." To say that loneliness is an epidemic in our society would seem to me to be an understatement. With all of the technology available to us, there is one thing that cannot be resolved, it seems; the need for people to have the physical company of other people. What responsibility do we have as Christians towards those around us who are lonely? We can't change the entire culture, but we can do something. How would God have you help to relieve the utter loneliness that someone in your sphere may be experiencing today? Pray about it, and ask God to give you the strength to do it."

risk factors through the adoption of better health habits and appropriate lifestyle modifications. This is done by improving dietary choices, enhancing daily exercise, increasing support systems and decreasing stress, thus aiding in preventing and reversing disease. This program is now introduced in The Bahamas through the Adventist Health Ministries Department.

NO SWEETS WEEKEND: In keeping with the CHIPS promotion we are encouraging everyone to participate in "New Sweets Weekend" next week. That is from Friday morning, 6 a.m., June 12, to midnight, June 14, 2015. We are all being asked to not eat or drink any kind of refined sweets. This includes and not limited to, ice cream, candy of all kinds, sugar gums, cakes, pies, sweet tarts, sweet cookies, sodas, malt, etc. This is to promote awareness of a healthy diet and that we can live, if only for a short time, without these foods.
