

Step Into the Light of Knowledge

By Barrington H. Brennen, 2000

Step, step, step into the light of knowledge
Step, step, step into the light of knowledge
Step, step, step into the light of knowledge
Step in Jesus name

Come, come, come, come, let's come to Jesus
Come, come, come, come, let's come to Jesus
Come, come, come, come, let's come to Jesus
Come to Jesus now.

I, I, I, I, will not be tempted
I, I, I, I, will not be tempted
I, I, I, I, will not be tempted
Tempted by Satan's snares

Satan, Satan, get behind me
Satan, Satan, get behind me
Satan, Satan, get behind me
Get behind in Jesus name

What goes in, in will come out, out
What goes in, in will come out, out
What goes in, in will come out, out
Jesus please come in, in, in

Knowing Jesus gives you knowledge
Knowing Jesus gives you knowledge
Knowing Jesus gives you knowledge
He fills my brain with sense, sense, sense

Jesus helps me with my Maths and English
Bible, Reading, Music and Spanish
He helps my brain to remember
So study my lesson every day
Yah! Yah!

Knowing Jesus gives you knowledge
Knowing Jesus gives you knowledge
Knowing Jesus gives you knowledge
He fills my brain with,
He fills my brain with,
He fills my brain with,
Sense, sense, sense
